

Checklist for AAPOR TI

Survey: Chicago Poll

TI Disclosure Elements	Answers
1. Who sponsored the TI Research and who conducted it. If different from the sponsor, the original sources of funding will also be disclosed.	Emerson College WGN-TV
2. The exact wording and presentation of questions and response options whose results are reported. This includes preceding interviewer or respondent instructions and any preceding questions that might reasonably be expected to influence responses to the reported results.	See Below
3. A definition of the population under study and its geographic location.	Residents of Chicago
4. Dates of data collection.	August 14-15,2021
5. A description of the sampling frame(s) and its coverage of the target population, including mention of any segment of the target population that is not covered by the design. This may include, for example, exclusion of Alaska and Hawaii in U.S. surveys; exclusion of specific provinces or rural areas in international surveys; and exclusion of non-panel members in panel surveys. If possible the estimated size of non-covered segments will be provided. If a size estimate cannot be provided, this will be explained. If no frame or list was utilized, this will be indicated.	Data was collected using a list of 20,000 mobile numbers and 15,000 landline numbers provided by Aristotle Inc.and with an online panel provided by Amazon MTurk.
6. The name of the sample supplier, if the sampling frame and/or the sample itself was provided by a third party.	Aristotle, LLC Amazon MTurk
7. The methods used to recruit the panel or participants, if the sample was drawn from a pre-recruited panel or pool of respondents.	Amazon MTurk uses opt in panels and not online ads to recruit participants
8. A description of the sample design, giving a clear indication of the method by which the respondents were selected, recruited, intercepted or otherwise contacted or encountered, along with any eligibility requirements and/or oversampling. If quotas were used, the variables defining the quotas will be reported. If a within-household selection procedure was used, this will be described. The description of the sampling frame and sample design will include sufficient detail to determine whether the respondents were selected using probability or non-probability methods.	See #5
9. Method(s) and mode(s) used to administer the survey (e.g., CATI, CAPI, ACASI, IVR, mail survey, web survey) and the language(s) offered.	IVR, Online and SMS-to-web

<p>10. Sample sizes (by sampling frame if more than one was used) and a discussion of the precision of the findings. For probability samples, the estimates of sampling error will be reported, and the discussion will state whether or not the reported margins of sampling error or statistical analyses have been adjusted for the design effect due to weighting, clustering, or other factors. Disclosure requirements for non-probability samples are different because the precision of estimates from such samples is a model-based measure (rather than the average deviation from the population value over all possible samples). Reports of non-probability samples will only provide measures of precision if they are accompanied by a detailed description of how the underlying model was specified, its assumptions validated and the measure(s) calculated. To avoid confusion, it is best to avoid using the term “margin of error” or “margin of sampling error” in conjunction with non-probability samples.</p>	<p>The sample consisted of registered voters, n=1,000, with a Credibility Interval (CI) similar to a poll’s margin of error (MOE) of +/- 3% percentage points.</p>
<p>11. A description of how the weights were calculated, including the variables used and the sources of weighting parameters, if weighted estimates are reported.</p>	<p>The data sets were weighted by gender, age, education, region, and race based on the voting-age population in Chicago (Census Reporter).</p>
<p>12. If the results reported are based on multiple samples or multiple modes, the preceding items will be disclosed for each. Reviewer: Type NA if not applicable.</p>	<p>N/A</p>
<p>13. Contact for obtaining more information about the study.</p>	<p>emersonpolling@emerson.edu</p>

1. Do you approve or disapprove of the job Lori Lightfoot is doing as Mayor of Chicago?

Approve

Disapprove

Unsure or no opinion

Never heard of her

2. Do you approve or disapprove of the job Kim Foxx is doing as Cook County State's Attorney?

Approve

Disapprove

Unsure or no opinion

Never heard of her

3. What aspect of crime are you most concerned about: violent crime, property crime, or some other type of crime?

Violent crime

Property crime

Other crime

4. How would you rate the news media on the way in which they report crime in Chicago? Would you say they over emphasize crime, under emphasize crime or place about the right emphasis on crime?

The news media over emphasizes crime

The news media under emphasizes crime

The news media places the right amount of emphasize on crime

5. Which gun control laws do you think should be implemented? (OPEN ENDED)

6. In general, how safe do you feel in your neighborhood?

Very safe

Somewhat safe

Somewhat unsafe

Very unsafe

7. In general, how safe do you feel in the city of Chicago?

Very safe

Somewhat safe

Somewhat unsafe

Very unsafe

8. Do you feel there is more crime in Chicago today than there was a year ago?

More crime today

Less crime today

Same amount

9. Are you concerned about carjackings in Chicago?

A great deal

A fair amount

Only a little

Not at all

No opinion

10. How much of a priority should crime be for Chicago leaders?

A top priority

A secondary priority

Not a priority

11. Who do you think is most responsible for solving Chicago violence?

The Mayor

The Police Department

The Cook County State's Attorney

The City Council

Federal Agents (ATF, etc)

12. Do you view the Chicago Police Department positively or negatively?

Very positively

Somewhat positively

Somewhat negatively

Very negatively

Unsure or no opinion

13. Do you believe some individuals who are charged with gun crimes should be released from prison on electronic monitoring while awaiting trial?

Yes

No

14. Do you agree with efforts to increase civilian oversight of the Chicago Police Department?

Yes

No

15. If Chicago's gun violence continues, would you consider moving?

Yes

No

16. How concerned are you about the threat of the Delta variant of Covid-19?

Very concerned
Somewhat concerned
Not too concerned
Not at all concerned

17. Would you support or oppose an indoor mask mandate in Chicago?

Support
Oppose
Unsure or no opinion

18. What is the number one issue facing Chicago today?

Housing
Healthcare
Jobs
Covid-19
Police reform
Crime
Education/Schools
Homelessness
Transportation
Something else (please specify)

19. Can you please tell me your gender?

Male
Female

20. For statistical purposes only, can you please tell me your ethnicity?

Hispanic or Latino of any race
White or Caucasian
Black or African American
Asian American or Pacific Islander
Other or multiple races

21. What is your age range?

18-34 years
35-49 years
50-64 years
65 or more years

22. What is the highest level of education you have attained?

High school or less
Some college
College graduate
Postgrad or higher

23. What neighborhood of Chicago do you live in?

North Side

South Side

West Side

I do not live in the city

24. Do you own any firearms?

Yes

No
