Checklist for AAPOR TI

Survey: Chicago Poll

TI Disclosure Elements	Answers
1. Who sponsored the TI Research and who conducted it. If different from the sponsor, the original sources of funding will also be disclosed.	**Emerson College** **WGN-TV**
2. The exact wording and presentation of questions and response options whose results are reported. This includes preceding interviewer or respondent instructions and any preceding questions that might reasonably be expected to influence responses to the reported results.	**See Below**
3. A definition of the population under study and its geographic location.	**Registered Voters in Chicago**
4. Dates of data collection.	**May 31-June 1 ,2021**
5. A description of the sampling frame(s) and its coverage of the target population, including mention of any segment of the target population that is not covered by the design. This may include, for example, exclusion of Alaska and Hawaii in U.S. surveys; exclusion of specific provinces or rural areas in international surveys; and exclusion of non-panel members in panel surveys. If possible the estimated size of non-covered segments will be provided. If a size estimate cannot be provided, this will be explained. If no frame or list was utilized, this will be indicated.	**Data was collected using a list of 25,000 mobile numbers and 30,000 landline numbers provided by Aristotle Inc.and with an online panel provided by Amazon MTurk and Consensus Strategies.**
6. The name of the sample supplier, if the sampling frame and/or the sample itself was provided by a third party.	**Aristotle, LLC** **Amazon MTurk** **Consensus Strategies**
7. The methods used to recruit the panel or participants, if the sample was drawn from a pre-recruited panel or pool of respondents.	**Amazon MTurk and Consensus Strategies use opt in panels and not online ads to recruit participants**
8. A description of the sample design, giving a clear indication of the method by which the respondents were selected, recruited, intercepted or otherwise contacted or encountered, along with any eligibility requirements and/or oversampling. If quotas were used, the variables defining the quotas will be reported. If a within-household selection procedure was used, this will be described. The description of the sampling frame and sample design will include sufficient detail to determine whether the respondents were selected using probability or non-probability methods.	**See #5**
9. Method(s) and mode(s) used to administer the survey (e.g., CATI, CAPI, ACASI, IVR, mail survey, web survey) and the language(s) offered.	**IVR, Online and SMS-to-web**

10. Sample sizes (by sampling frame if more than on was used) and a discussion of the precision of the findings. For probability samples, the estimates of sampling error will be reported, and the discussion will state whether or not the reported margins of sampling error or statistical analyses have been adjusted for the design effect due to weighting, clustering, or other factors. Disclosure requirements for non-probability samples are different because the precision of estimates from such samples is a model-based measure (rather than the average deviation from the population value over all possible samples). Reports of non- probability samples will only provide measures of precision if they are accompanied by a detailed description of how the underlying model was specified, its assumptions validated and the measure(s) calculated. To avoid confusion, it is best to avoid using the term "margin of error" or "margin of sampling error" in conjunction with non-probability samples.	**The sample consisted of registered voters, n=1,000, with a Credibility Interval (CI) similar to a poll's margin of error (MOE) of +/- 3% percentage points.**
11. A description of how the weights were calculated, including the variables used and the sources of weighting parameters, if weighted estimates are reported.	**The data sets were weighted by gender, age, education, region, and race based on the voting-age population in Chicago (Census Reporter).**
12. If the results reported are based on multiple samples or multiple modes, the preceding items will be disclosed for each. ***Reviewer: Type NA if not applicable.***	**N/A**
13. Contact for obtaining more information about the study.	**emersonpolling@emerson.edu**

1. Overall, do you approve or disapprove of the job Joe Biden is doing as President?

Approve
Disapprove
Unsure or no opinion

2. Do you approve or disapprove of the job J.B. Pritzker is doing as Governor?
Approve
Disapprove
Unsure or no opinion

3. Do you approve or disapprove of the job Lori Lightfoot is doing as Mayor of Chicago?
Approve
Disapprove
Unsure or no opinion

4. How would you rate the job Mayor Lightfoot has done to advance the economy- excellent, good, fair, or poor?
Excellent
Good
Fair
Poor

5. How would you rate the job Mayor Lightfoot has done with job growth – excellent, good, fair or poor?
Excellent
Good
Fair
Poor

6. How would you rate the job Mayor Lightfoot has done to improve education -- excellent, good, fair, or poor?
Excellent
Good
Fair
Poor

7. How would you rate the job Mayor Lightfoot has done to improve race relations -- excellent, good, fair, or poor?
Excellent
Good
Fair
Poor

8. How would you rate the job Mayor Lightfoot has done to handle crime -- excellent, good, fair, or poor?
Excellent
Good
Fair
Poor

9.   How would you rate the job Mayor Lightfoot has done to handle gun violence-- excellent, good, fair, or poor?
Excellent
Good
Fair
Poor

10. How would you rate the job Mayor Lightfoot has done to handle the COVID-19 pandemic-- excellent, good, fair, or poor?
Excellent
Good
Fair
Poor

11. Do you consider Lori Lightfoot generally honest, or generally dishonest?
Very honest
Somewhat honest
Somewhat dishonest
Very dishonest
Unsure or no opinion

12. What is the number one issue facing Chicago today?
Housing
Healthcare
Jobs
Covid-19
Police reform
Crime
Education/Schools
Homelessness
Transportation
Something else (please specify)

13. Do you view the Chicago Police Department positively or negatively?
Very positively
Somewhat positively
Somewhat negatively
Very negatively
Unsure or no opinion

14. Do you think there should be civilian oversight of the Chicago Police Board?
Yes

No
Unsure or no opinion

15. How likely are you to stay a resident of Illinois for the next year?
Very likely
Not likely
Undecided

16. Do you think Lake Shore Drive should be renamed to honor Chicago's founder Jean Baptiste Point DuSable?
Yes
No
Unsure or no opinion

17. Can you please tell me your gender?
Male
Female

18. For statistical purposes only, can you please tell me your ethnicity?
Hispanic or Latino of any race
White or Caucasian
Black or African American
Asian American or Pacific Islander
Other or multiple races

19. What is your age range?
18-34 years
35-49 years
50-64 years
65 or more years

20. What is the highest level of education you have attained?
High school or less
Some college
College graduate
Postgrad or higher

21. Who did you vote for in the 2019 election for Mayor of Chicago?
Lori Lightfoot
Toni Preckwinkle
I did not vote in this election

22. What neighborhood of Chicago do you live in?
North Side
South Side

West Side
I do not live in the city
